Egglestone Abbey

Ingleton Jubilee Celebrations including The Fayre

There will be a Jubilee celebration/ Fayre meeting at 7.30pm on the 7th April in the Village Hall for those people who have kindly volunteered to help out with events over the weekend of the 3-5th June.

If you would like to help out in any way but can't make the meeting, please email:
ingletonvillagehall@gmail.com

P.S. There was a very good turnout of villagers, particularly of those new to Ingleton, at the initial meeting - so you're not alone if you would like to offer support.

Ingleton Coffee Morning

The coffee morning on the 2nd April in Ingleton Village Hall will include a jigsaw swap for all types- children's or grownups. So please bring one you have done and take one away. You can also, for a donation, have a browse in the hall library for books to take home. Everyone welcome 10.30 to 12noon.

Have fun with the Ingleton Easter Trail -reminder

An Easter trail for children of all ages to find easter eggs in Ingleton will be available for all the Easter holidays (Sat 9th -24th April).

The start of the trail is at the St Johns' Church gate and the objective is to find 10 eggs (which are made of laminated cardboard), each with a clue to solve in order to progressively reveal the secret location and its sweet treat prize. The prize will be in a tupperware box and needs to be replaced (the sweets only!) by the winner for the next competitor to be rewarded. Hopefully children will be working as teams so the prize provided should be shareable (ie Haribos, mini easter eggs, chocolate bar). All the clues are in public accessible areas. Have fun!

Another great idea from, and organised by, Abigail McRobbie.

Ingleton Open Gardens

The IDCA is hoping to arrange an 'Open Gardens of Ingleton' afternoon as part of the village Jubilee celebrations on Sunday 5th June 2022 from 1-4pm. Any garden can be included - large, small, a back yard, flowers, vegetables or just grass It is NOT a competition, so please don't worry about not having a 'perfect' outdoor space. We already have 2 or 3 on our list but need more to make it an enjoyable stroll around the village looking beyond those hedges or walls. Tea and cake will be provided in one or two of the gardens. Please email ingletonvillagehall@gmail.com for further information and to offer your garden to be included.

Ingleton Walkers

Ingleton's Walking Group has been back on track after last month's walk was cancelled due to bad weather. It chose a great sunny Sunday to visit High Coniscliffe's 'golden arch'. April's walk is still to be finalised so please email ingletonparishpump@gmail.com if you would like to join in.
